

MISSION STATEMENT

To preserve water resources, critical habitat, rural and urban farmland, scenic viewsheds and ecosystems in and around Orange County for the benefit of all who depend on them.

Orange County Land Trust has helped conserve over 6,000 acres of lands thanks to the support from the community. We continue to lead land conservation in the county by:

- Protecting natural landscapes, wildlife habitats, and working farms.
- Expanding public access and enhancing outdoor recreation.
- Educating the community on conservation, stewardship, and land use issues.
- Helping to sustain Orange County's agricultural economy.
- Protecting and safeguarding clean water.
- Assisting next generation farmers in gaining access to farmland.
- Hosting nature-based programs, guided hikes, and family friendly outings.
- Providing vital resources and professional expertise to landowners and farmers to help protect their properties.
- Monitoring over 10,000 conserved acres annually to ensure the conservation values of these properties are protected in perpetuity.
